

Download DataFerrett Software

The DataFerrett is software that must be downloaded and installed onto your PC. To get the installation, go to <http://dataferrett.census.gov> and then click on the “Download BetaDataFerrett” link in the right hand column: <http://www.thedataweb.org/beta.html>. For users who have a *proxy server* see <http://www.thedataweb.org/proxy.html>. Firewall or installation of software issues: <http://www.thedataweb.org/applet.html>. Follow the instructions to install the web-based version (JAVA applet) of DataFerrett using your Internet Explorer or Netscape browser.

The right hand column @ <http://dataferrett.census.gov> also contains links to different types of guidance (see below).

DataFerrett QuickTour: http://www.thedataweb.org/dataferret_tour/start_tour00.htm

DataFerrett Users’ Guide: <http://www.thedataweb.org/support/user>

DataFerrett Tutorials: <http://www.thedataweb.org/support/DataFerrettTutorial>

DataFerrett Examples: <http://www.thedataweb.org/Examples.html>

DataFerrett Community Development HotReport: <http://ced.census.gov>

DataFerrett HotReport Examples: http://www.thedataweb.org/HotReportDocumentation/hotreport_examples.html

DataFerrett Advanced Topics: <http://www.thedataweb.org/twiki/bin/view/DataFerrett/AdvancedTopics>

TheDataWebForum: To interact with other users, ask data questions of subject matter experts, etc. sign-up for TheDataWebForum @ <http://www.thedataweb.org/forum>

For users who wish more technical information or to use the DataFerrett interface/application for their own datasets, please consult the DataWeb twiki for detailed information on formatting your metadata and downloading the server software (free). <http://www.thedataweb.org/twiki/bin/view/DataWebServices/WebHome>

DataFerrett Help Desk: For technical assistance, call the help desk toll-free at **1-866-437-0171**.

The Help Desk can assist you with issues concerning the use of the DataFerrett software, but not with questions regarding the subject matter contained in the datasets. The help desk can, however, usually direct you to the appropriate subject matter experts. Email the help desk @ support@thedataweb.org.
